

Sarajevo School of Science and Technology - Dentistry curriculum

First Year	Second Year
<p>FALL SEMESTER</p> <p>Cell Biology Medical Physics and Biophysics I Medical Chemistry Anatomy I English/Latin/Bosnian</p> <p>SPRING SEMESTER</p> <p>Genetics Medical Physics and Biophysics II Biochemistry Anatomy II First Aid History of Dental Medicine (Elective) Psychology in Medicine (Elective)</p>	<p>FALL SEMESTER</p> <p>Histology Physiology I Tooth Morphology with Dental Anthropology I Dental Materials Introduction to Dental Medicine</p> <p>SPRING SEMESTER</p> <p>Embryology Physiology II Tooth Morphology with Dental Anthropology II Introduction to Immunology Cariology and Occlusion Nutrition and Health (Elective) Health Management and Health Economics (Elective) Medical Ethics and Legal Aspects of Medical Practice (Elective) Dental Hypersensitivity and Disease (Elective)</p>
Third Year	Fourth Year
<p>FALL SEMESTER</p> <p>Pathology I</p>	<p>FALL SEMESTER</p>

Pathophysiology
 Basics of Medical Microbiology and Parasitology
 General Pharmacology
 Introduction to Dental Research I

SPRING SEMESTER

Pathology II
 Preclinical and Laboratory Fixed Prosthodontics
 Introduction to Neuroscience and Neurology
 Dental Pharmacology
 Introduction to Dental Research II
 Immunology Selected Chapters (Elective)
 Oral Hygiene (Elective)

Anaesthesiology and Reanimation
 Internal Medicine I
 Preclinical and Laboratory Removable Prosthodontics
 Fixed Prosthodontics
 General Radiology

SPRING SEMESTER

Infectology
 Internal Medicine II
 General Surgery
 Preclinical Restorative Dental Medicine I
 Ophthalmology
 Pain (Elective)

Fifth Year

Sixth Year

FALL SEMESTER

Preclinical Oral Surgery
 Restorative Dental Medicine
 Endodontics I
 Preclinical Periodontology
 Dental Radiology

SPRING SEMESTER

Oral Surgery
 Removable Prosthodontics
 Orthodontics
 Maxillofacial Surgery and Dental Medicine
 Otorhinolaryngology
 Dental Photography (Elective)
 Gerontology (Elective)

FALL SEMESTER

Paediatric and Preventive Dental Medicine I
 Paediatrics
 Clinical Periodontology
 Dermatovenereology
 Ophthalmology

SPRING SEMESTER

Paediatric and Preventive Dental Medicine II
 Oral Medicine
 Ethics in Dental Medicine
 Endodontics II
 Thesis work

	Dental Medicine in Later Life Stages (Elective) Medicine in Future (Elective)
